Study Programmes in English

"At Transylvania Business School, Babeş-Bolyai University you find yourself part of an environment that promotes critical and articulate thinking, thus making the Transylvania Business School a "one-stop shop" for tomorrow's entrepreneur"

Transylvania Business School is the first higher education institution that offers degrees in business in Romania and was founded in 1994 with the support of the Nottingham Trent University, Athens University of Economics and Business and Technical University of Lisbon.

All the programmes that we offer are designed with a unique, varied and innovative learning approach that's proven to deliver self-reliant business people who can compete in the fast-changing world of business and international business.

Bachelor programmes offered:

BA in Business Administration

BA in Business Administration in Hospitality Services

Masters programmes offered:

MA in International Business Administration

MA in Business Administration in International Tourism and Hospitality

International Accreditation:

Study Abroad Opportunities

More than over 60 partner universities where you can spend one or more semesters. Transylvania Business School is the most internationalized business school in Romania!

Tuition fees

Tuition for EU-students is 2500 Romanian Lei / year for bachelor and 3000 Romanian Lei / year for masters but students can benefit from tuition waiver! Non EU students have to pay 2700 euros / year.

Facilities

Transylvania Business School offers students the possibility to live in university dormitories at a very affordable price. Students enrolled at the business school have access to the biggest university library in South-East Europe and also to modern computer facilities where they have access to unlimited online resources.

Business environment

Cluj-Napoca is home to hundreds of multinational corporations who chose to set up their business in one of the most dynamic cities in South-East Europe.

International Community

At Transylvania Business School you will be a part of the biggest community of students in Romania. The business school has 1200 registered students , of which more than 220 are foreign students!

University City

With more than 70.000 students , Cluj-Napoca is one of the most important university cities , where students represent 40% of the city's inhabitants.

“As Erasmus Student in Cluj-Napoca during the Spring Semester, Transylvania Business School was the best choice concerning my studies in International Trade. The courses were quite interesting and are involving every piece of activity you can meet while running a business or working in the business sector.”

Laurent Daelmans, Erasmus exchange student
